

# John & Amber Kimball – Founders of Matthew 25 International

John and Amber Kimball are the founders of Matthew 25 International and ordained ministers of the Gospel.

After faithfully pastoring for a number of years, they answered the Lord's call to full-time missions, beginning their journey in Peru.

Their ministry story is rooted in the mission to Shelter, Educate, and Evangelize those in need, always led by the direction of the Holy Spirit. John and Amber strive to live out their calling by being touchable to those around them, relevant to those in need, and faithful to every opportunity the Lord provides.

At the heart of every effort is the desire to lead people into a saving knowledge of Jesus Christ.

Since 1996, Matthew 25 International has:

- Sheltered orphaned and abandoned children.
- Educated adults, children, and church leaders.
- Planted churches to evangelize the lost.
- Overseen the funding and construction of churches, schools, orphanages, and tsunami housing.

What began in Peru has now expanded to works in Haiti, India, and Mexico, with new

invitations to Pakistan, Africa, and the Philippines. The Lord continues to open doors for greater impact worldwide.

John and Amber believe that God places a call on every true believer to serve Him. For some, that call is to go to the places of greatest need; for others, it is to give financially; and for all, it is to pray

faithfully for the nations. Matthew 25 International exists to provide believers with opportunities to fulfill that calling in obedience to Christ.
